## FOR IMMEDIATE RELEASE

### **Synaptec's Solid LawBase Product Fuels Momentum by Adding New Customers**

*Company gains new customer wins in government, corporate and law firm segments*

**Denver, Colorado (January 26, 2010)** — Synaptec Software, Inc. ([www.lawbase.com](http://www.lawbase.com)), the provider of the industry-leading case and matter management program LawBase, reports a record year as a result of new customer acquisitions across a variety of market sectors.

"We are honored to have so many top-notch organizations work with us in the last year," stated Phil Homburger, President of Synaptec. "We are pleased to see that LawBase continues to be met with strong demand. The adaptability of LawBase, combined with our years of experience in the legal field, is manifested in the diversity of our new clients. It doesn't matter if an office is working with transactional matters or litigation cases, LawBase can be configured to fit the unique needs of the organization."

LawBase is a computerized Case and Matter Management System designed to increase the productivity and profitability of any organization. LawBase is currently being used by thousands of law office personnel across the country, from solo practitioners to law firms with 750-plus attorneys to the legal departments of Fortune 500 companies to governmental agencies.

To learn more about LawBase and how it can help your organization, visit [www.lawbase.com](http://www.lawbase.com).
